Estonian Arnold Schoenberg Society  
SCHOENBERG RESIDENCY  
Pärnu, Estonia

Schoenberg Residency in Pärnu City Gallery Artists House is a place for creative and scientific work in a vibrant environment of creative studios and galleries.

The Estonian Arnold Schönberg Society allows a small (7 m<sup>2</sup>) residence room, which has a desk, chair and bed, and whose sanitary facilities are shared by all residents of the house.

In addition, Pärnu City Gallery rents a larger residence room (min. 1 month), which has its own toilet and kitchenette (the room is now renovated).

Pärnu City Gallery Artists House operates in a villa-type building built in the late 1930s, which does not have special facilities for people with disabilities.
